Re: AHC 00-2199
Decommission Waste Burial Mound
Ft. McClellan
Calhoun County, AL

Dear Ms. Bailey:

Upon review of the proposed project, the Alabama Historical Commission has determined that the project activities will have no effect on any known cultural resources listed on or eligible for the National Register of Historic Places. Therefore, our office can concur with the proposed activities.

However, should any archaeological cultural resources be encountered during project activities, work shall cease and our office shall be consulted immediately. This stipulation shall be placed on the construction plans to insure contractors are aware of it.

We appreciate your efforts on this issue. If we may be of further service or if you have any questions or comments, please contact Stacye Hathorn or Greg Rhinehart of our office and be sure to **include the project number referenced above.**

Sincerely,

for: Elizabeth Ann Brown
Deputy State Historic Preservation
