This thing sucks.
Any only letting this lethal information leak out to a few concerned people, sucks too.
And allowing only till later this month sucks royal.

We need and deserve a decent, reasonable period for comment.

It is generally true that govt. bureaus, departments, branches tend heavily to favor monetary profits, corporate interests, etc. over the commonweal, people, etc.

Please extend the comment period AND TAKE MEASURES TO INFORM THE PEOPLE.

THANKS.

Greg Foote
