Subject: Intermediate Milestone Report Entitled: Progress Report of Activities
and Recommendations in the Integrated Waste Package Experimental
Program, May 1988 - April 1990, Activity No. 3704-042-005-900.

Dear Dr. Reed:

The subject intermediate report is hereby submitted to you in accordance with the NRC request in support of the revised IWPE Project Plan. This report documents the results of experiments and review of other experimental investigations performed up to April 1990 and offers recommendations for future research activities within the Integrated Waste Package Experiments Program. These recommendations are based on not only the available experimental findings, but also reflect the comments by Peer Review Panel assembled last year by the Center and the results of discussions with various NRC staff.

Comments or questions on this report may be directed to Narasi Sridhar (512/522-5538) or Gustavo Cragolino (512/522-5539).

Thank you.

Sincerely Yours,

Prasad Nair
Project Manager - IWPE
