Re: Addition of Registry Sheet TX0634S109S
and deletion of Registry Sheet TX0634S109U

Dear Ms. Kime:

Enclosed is the device sheet TX634S109S for TN Technologies Model 579103 neutron source. This device sheet has been amended in entirety to describe the specifications and applications of the Model 579103 sealed source in industrial gauges manufactured by TN Technologies. Please delete Registry Sheet TX0634S109U from your records. We would appreciate you distributing copies of this sheet to the other State Programs and NRC Regions, as appropriate.

Thank you for your cooperation and efforts.

Sincerely,
