Subject: Slides for Use in October 17, 2000 Meeting with NRC Regarding Implementation
of ZIRLO Fuel Cladding (Contains Proprietary Information)

Dear Mr. Cushing:

CE Nuclear Power LLC (CENP) requests a meeting with the NRC on October 17, 2000, 1:00 – 3:00 PM, to describe plans for implementing ZIRLO cladding in CENP fuel designs. The slides CENP intends to present in the meeting are provided in Attachment 1. These slides contain information considered to be proprietary, and CENP requests that this information be withheld from public disclosure in accordance with the provisions of 10 CFR 2.790 and be appropriately safeguarded. The reasons for the classification of this information as proprietary are delineated in the affidavit enclosed as Attachment 2.

Please do not hesitate to contact Virgil Pagen of my staff at 860-285-4700 or me if you have any questions.

Very truly yours,
CE Nuclear Power LLC

Philip W. Richardson
Licensing Project Manager
