Dear Mrs. Delgado:

I would like to thank you, Ms. Diane Gomez, and Mr. Ray Garcia for taking time out of your busy schedules to help the Nuclear Regulatory Commission (NRC) Region I office celebrate National Hispanic Heritage Month. Your presentations on Hispanic culture and the Cascade Mentoring Program (CMP) were extremely informative and enlightening. We have received numerous positive comments from our staff on the presentations provided.

In addition, Jim Joyner and I found our meeting with you productive and enjoyable. We look forward to maintaining a mutually supportive working relationship with the Society of Hispanic Professional Engineers, and to participation in the *13th Annual Eastern Technical & Career Conference* in Rye Brook, New York. Once again, thank you for your time.

Sincerely,

James T. Wiggins
