Dear Mr. Doyle:

On October 11, 2000, a telephone conference call was held between you, representatives of Westinghouse Electric Company, and members of the Petition Review Board (PRB). The purpose of the telephone conference was to provide you an opportunity to comment on the tentative recommendations of the PRB regarding your July 18, 2000, petition. The telephone conference was transcribed, and a copy of the transcript is enclosed. This transcript will be made available to the public, as was your original petition.
