The Petition was submitted, pursuant to 10 CFR 2.206, on behalf of the Union of Concerned Scientists, the Nuclear Information & Resource Service, the PACE Law School Energy Project, and Public Citizen's Critical Mass Energy Project (Petitioners). The Petitioners requested that the NRC issue an order to Consolidated Edison Company of New York, Inc. preventing the restart of Indian Point Nuclear Generating Unit 2 (IP2) or modifying the license for IP2 to limit it to zero power pending certain actions. By letter dated October 6, 2000, the NRC issued its Director's Decision. A copy of this letter and the Director's Decision are enclosed for your information.

Sincerely,

*/RA/*
