MEMORANDUM FOR: James M. Taylor
Executive Director for Operations

FROM: Samuel J. Chilk, Secretary /S/

SUBJECT: SECY-92-224 - REVISED IMPLEMENTING PROCEDURES
FOR ISSUANCE OF GENERIC COMMUNICATIONS

This is to advise you that the Commission has not objected to the procedures for issuing generic communications which provides an opportunity for public comment.

In the case of urgent generic communications the Commission believes that, after the communication is issued, it would still be beneficial to get both industry and CRGR comments and, as appropriate ACRS comments. The public should also be notified of the issuance of the communication. These actions will allow for the submission of recommended improvements. The staff should develop an alternative process for urgent generic communications which would address these concerns and include providing the Commission an information paper in such cases.
