Subject: **Proposed Guidelines for Including Industry Initiatives in the Regulatory Process (65 FR 53050, August 31, 2000)**
Request for Comments

Ladies and Gentlemen:

Carolina Power & Light Company's (CP&L) appreciates the opportunity to comment on the proposed NRC guidelines that the staff has developed to provide consistency in the handling and evaluation of industry initiatives. We support the general comments that NEI has provided on behalf of the industry, including that the current process has worked well and formal guidelines are not necessary.

Please contact John Caves at (919) 546-4579 if you have questions.

Sincerely,

Terry C. Morton
