Subject: Comments on NRC Operator Licensing

Below is the result of your feedback form. It was submitted by () on Thursday, October 5, 2000 at 23:50:24

Affiliation: Concerned Citizen

Comments: I think your policy to extend the life of outdated nuclear power plants is both reckless and irresponsible, so I urge you to reconsider. And, the fact that the general public has not been informed of this decision makes me question the existence of the democratic process in your decision making.

What kind of legacy do you want to leave for your children and the rest of the human race?
