Subject: Comments on NRC Operator Licensing

Below is the result of your feedback form. It was submitted by
Mavis McCormic (mccormic@internetcds.com) on Thursday, October 5, 2000 at 18:06:29

Affiliation: NVEC & LWV

Comments: The overall record of nuclear power plants does not justify allowing relicensing without having public hearings, making operational records available, and providing chances for the public to have questions answered.

Sincerely, Mavis McCormic
