**Subject:** Comments on NRC Operator Licensing

Below is the result of your feedback form. It was submitted by Kevin Dahl (kdahl@azstarnet.com) on Tuesday, October 17, 2000 at 13:22:06

Comments: I protest this generic 20 year extension of reactor lives -- it puts many people at danger. Reactor extensions should be done on a case by case basis and for shorter periods of time. Each reactor extension should trigger the NEPA process. Please extend the period of time for comments. Thank you.
