Subject: Comments on NRC Operator Licensing

Below is the result of your feedback form. It was submitted by Mele Stokesberry (holamaui@maui.net) on Tuesday, October 3, 2000 at 23:45:58

Affiliation: ordinary citizen and public school teacher

Comments: The law mandating that old nuclear power plants must be shut down MUST NOT BE CHANGED OR UNDERMINED AND ABROGATED. The public safety is the only and overriding concern that must be given first priority always.

NO EXTENSIONS ON NUCLEAR POWER PLANT LICENSES!!!
