

November 25, 1992

MEMORANDUM FOR: James M. Taylor
Executive Director for Operations

FROM: John C. Hoyle, Acting Secretary /s/

SUBJECT: SECY-92-319 - LICENSEE SUBMITTAL OF DATA IN
COMPUTER READABLE FORM

The Commission (with all Commissioners agreeing) has approved the notice of proposed rulemaking that would make mandatory licensee submittal of nuclear material transaction data in computer readable form. The Commission understands that the staff will request specific comments on the cost impacts to address the CRGR concerns. The Federal Register notice should be changed as indicated in the attachment and forwarded to the Secretary for signature and publication.

(EDO) (SECY Suspense: 12/31/92)

While the staff may eventually wish to receive electronic data by modem, concerns about data security must first be addressed. The staff should not place complete reliance on electronic data by modem until the security of the data can be assured.
