Subject: Please provide Dr. Wang's radiation safety resume			
Summary:			
I informed Ms. Garnder to provide Dr. Wang's radiation safety resume (radiation safety courses attended and quantities of isotopes used). In addition, please have management sign letter. Fax for expedite review. Since she does not have a copy of NUREG 1556 Volume 7, I promised to send her a copy with the completed action.			
Action Required/Taken: Await fax and expedite amendment request!
