Dear Mr. Ward,

We wish to inform you officially that we are in receipt of the approved device registration for the 5245 device (NR-1120-D-101-S).

We would also like to take this opportunity to thank you, Mr. Bhachu, and Mr. Jankovich for your hard work and help with this issue. Thank you for your patience, diligence, and guidance. We have learned much from the NRC. We respect what has become a very good working relationship with you and your colleagues. We look forward to our continued good relationship.

On behalf of IMS as a company, and myself and staff personally, we again wish to thank you.

Very Best Regards,
