Dear Ms. Kime:

Attached is the amended Sealed Source and Device Registration No. OH-0522-D-0102-B issued by the State of Ohio for use of the Ohmart/VEGA Model SH-x series and SH-Fx series density, level and weigh gauges. Please add this document to the National SS&D Registry as superceding the registration certificate currently on file.

Thank you for your assistance in this matter.

Sincerely,
