

OFFICE OF ENFORCEMENT  
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Individual: Gail VanCleave (IA-00-016)

Subject: ORDER PROHIBITING INVOLVEMENT IN NRC LICENSED ACTIVITIES

This is to inform the Commission that an Order Prohibiting Involvement in NRC-Licensed Activities will be issued on or about November 6, 2000, to Gail VanCleave for deliberately providing a false social security number to an NRC licensee (D. C. Cook) to conceal the fact that Ms. VanCleave had twice previously been denied unescorted access at NRC licensees because of a misdemeanor conviction for theft from a Department of Energy contractor. As a result of that materially incomplete and inaccurate information, Ms. VanCleave gained unescorted access to the D.C. Cook Plant from September 17, 1999, to November 18, 1999. Additionally, Ms. VanCleave made a statement to an NRC investigator that she would repeat the deliberate acts of falsification again should she find herself in a similar financial situation.

The Order requires, in part, that Ms. VanCleave not engage in NRC-licensed activities for a period of three-years, and requires that she provide an answer to the Order within 20 days of its date.

It should be noted that the individual has not been specifically informed of the enforcement action. The schedule of issuance and notification is:

Mailing of Notice and Orders	November 6, 2000
Telephone Notification of Individuals	November 6, 2000

The State of Michigan will be notified.

The individual has twenty days from the date of the Order in which to request a hearing.
