Re: In the Matter of Gray*Star, Inc., Dkt. No. SSD 99-27

Dear Judge Young:

Enclosed please find a copy of Gray*Star, Inc.'s ("Gray*Star") marketing video for the Gray*Star Model 1 irradiator. A copy of the video is also being sent to John Hull, Esq., counsel for the NRC staff, by hand delivery this afternoon. Please note that the video was merely a marketing video and that representations made in the video regarding potential customers may or may not be presently applicable. Also, the video depiction of the Gray*Star Model 1 irradiator is not to scale. Specifically, the irradiator in the video appears much larger than the actual scale size Model 1 to be manufactured by Gray*Star.

Respectfully submitted,

David C. Lashway
