MEMORANDUM FOR: James M. Taylor  
Executive Director for Operations

FROM: Samuel J. Chilk, Secretary

SUBJECT: SECY-92-105 - NRC'S DRUG TESTING PROGRAM

The Commission (with all Commissioners agreeing) has approved the proposed change in NRC's criteria for identifying Testing Designated Positions (TDPs).

The Commission noted that the staff is reviewing the random testing rate, which is currently at 100 percent, and will recommend an appropriate NRC random testing rate to the Commission. The staff review should include consideration of a reduction to offset the additional costs from increasing the number of TDPs.
