Subject: Inclusion of USEC on License XSNM-3163

Dear Mr. Hauber:

The subject license authorizes CE Nuclear Power LLC, a subsidiary of Westinghouse Electric Company, to export uranium in various forms to Westinghouse Atom AB, Vasteras, Sweden.

This letter is to advise that source material to be exported under this license is routinely obtained from the United States Enrichment Corporation of Paducah, Kentucky or Portsmouth Ohio, and that USEC should be considered a party to export under this license. We request that this notification be appended to the licensing file for XSNM-3163.

Please feel free to contact me at 860-285-4700 if you have any questions.

Sincerely,
CE Nuclear Power LLC

Virgil Paggen
Export Control Administrator
