Re: Request for Information

Dear Ms. Miller:

This letter serves as a Freedom of Information Act (FOIA) request to receive information regarding the site located at 400 East Sibley Boulevard (also referred to as 147<sup>th</sup> Street) in Harvey, Illinois. The site is the former ARCO Chemical Research Facility. Other previous owners who may have also been involved with radioactive materials include Sinclair Refining Company and Atlantic Richfield Company. According to the Illinois Nuclear Safety Department, the license number issued to this facility was #12-00140-04. I would like to receive any information that describes the type of materials used (sealed or removable), when the materials were used and where (which buildings) the materials were used including licenses, inspection records and waste disposal records. If you have any questions or require additional information, please contact me at 312-853-9430 ext. 212. Please forward available information to my attention at 225 West Wacker, Suite 1975, Chicago, 60606.

Sincerely,

Erin E. Bantz  
Associate
