David L. Meyer, Chief
Rules and Directives Branch, Office of Administration
Mail Stop T-6D59
U.S. Nuclear REgulatory Commission
Washington, DC 20555-0001

Dear Mr Meyer:

As a citizen of this country whose government is "by the people, and for the people" I am strongly opposed to the release of any radioactive soil (from power plants or any other NRC-licensed facility) into the general environment.

I am stunned that anyone would consider such a thing, and I urge you and your organization to not release such soil (into the general environemnt). Please.

Yours truly,

J. Allen Feryok
