Harris Tower  
611 Ryan Plaza Drive, Suite 400  
Arlington, TX 76011-8064

Howard:

**SUBJECT: CALLAWAY PLANT INITIAL LICENSE EXAM**

Per your request, we have added an Annunciator Failure to one of the simulator scenarios (ILE-7/2000-DS2). The updated Form ES-D-1 is enclosed. Also enclosed are the updated Transient and Event Checklist Form ES-301-5's for each applicant. The "Draft Copy" of the Simulator Scenario Quality Checklist Form ES-301-4 that you have will be updated for Scenario 2. The total malfunctions will increase from seven to eight and the abnormal events will increase from three to four. The "Final Copy" of Form ES-301-4 will be included with our Operational Exam submittal on April 24, 2000.

Additionally, please find enclosed the electronic copy of our Written Exam submittal and Callaway Plant's Improved Technical Specifications.

Please withhold the examination materials from public disclosure until after exam completion.

Should you need any additional information or have any questions concerning the material, please contact David Lantz or Edward Stewart at (573) 676-4771 or me at (573) 676-8739.

Respectfully,

A handwritten signature in cursive script that reads "R. J. Neil".
