Dear Chairman Meserve:

Thank you for your response to my October 5, 2000 letter requesting rulemakings that the Nuclear Regulatory Commission (NRC) may propose or complete in the closing months of the Clinton Administration. The purpose of this letter is to request that the NRC continue to update the Committee on a weekly basis regarding anticipated action on any additional rulemakings. Accordingly, I am requesting that you identify for the Committee on a weekly basis any additional rulemakings that you expect the NRC to propose, finalize or otherwise take any action on before the end of the Clinton Administration. If you have any questions concerning this request, please contact me or have your staff contact Ms. Julie Corcoran, Committee counsel, at 202 226-2424.

Sincerely,

Tom Bliley
 Chairman
