Nov. 15, 2000

To: Nuclear Regulatory Commission
Office of International Programs
Attn: Ms. Betty Wright

Request for Extension of
E/L expiration date of XSNM03106 (Reference No. MBK-TS1 -- R26)

Dear Ms. Betty Wright,

We would like to request you for extension of E/L expiration date of XSNM03106 from 30 June 2001 to 30 September 2001.

E/L number: XSNM 03106
Date of application: SEP 7, 1999
Date of issuance: JAN 28, 2000
Current expiration date: JUNE 30, 2001
We would like to extend to: SEP 30, 2001

We attached our Authorization for Payment by credit card (\$210). (Which we already sent the Authorization for payment by credit card to Division of Finance and Accounting department by Fax.)

We would appreciate your kind cooperation on this issue.

Best Regards,

DATE OF ISSUANCE January 28, 2000

U.S. NUCLEAR REGULATORY COMMISSION
EXPORT LICENSELicense Number XSNM03106

Conditions

- Condition 1** -- Licensee shall file with the Customs Officer or the Postmaster two copies, in addition to those otherwise required, of the Shipper's Export Declaration covering each export and mark one of such copies for transmittal to the U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001. The following declaration should accompany or be placed on the Shipper's Export Declarations for such exports:
- "This shipment is being made pursuant to specific license number (**specific license number**) filed at (**location of customs office where license is filed**), on (**date license was filed**). This license expires on (**expiration date of license**), and the unshipped balance remaining on this license is sufficient to cover the shipment described on this declaration."
- Condition 2** -- Exports authorized in any country or destination, except Country Groups Q, S, W, X, Y, and Z in Part 370, Supplement No. 1, of the Comprehensive Export Schedule of the U.S. Department of Commerce.
- Condition 3** -- This license covers only the nuclear content of the material.
- Condition 4** -- The material to be exported under this license shall be shipped in accordance with the physical protection requirements for special nuclear material in 10 CFR 73.
- Condition 5** -- Special nuclear material authorized for export under this license shall not be transported outside the United States in passenger-carrying aircraft in shipments exceeding (1) 20 grams or 20 curies, whichever is less, of plutonium or uranium 233, or (2) 350 grams of uranium 235.
- Condition 6** -- This license authorizes export only and does not authorize the receipt, physical possession, or use of the nuclear material.
- Condition 7** -- The licensee shall complete and submit an NRC Form 741 for each shipment of source material exported under this license.
- Condition 8** -- The licensee shall advise the NRC in the event there is any change in the designation of the company who will package the nuclear material to be exported under this license, or any change in the location of the packaging operation, at least three weeks prior to the scheduled date of export.

Re : Question re: extension of E/L cc : Ms. Carlotta Coates

Dear Ms Wright,

We would like to ask you to advise us regarding the extension of E/L expiration date.
(We sent this message by e-mails though; we'll send this by fax because we're not sure about your preference. Please disregard if you already read this on the e-mail)

There are 2 kinds of E/Ls to ask you to amend:

1. XSNM 03106

Date of application: SEP 7, 1999

Date of issuance: JAN 28, 2000

Current expiration date: JUNE 30, 2001

We would like to extend to SEP 30, 2001

2. XSNM 03172

Date of application: NOV 3, 2000

Date of issuance: ~~NOT ISSUED YET~~

Current expiration date (on the application form): JANUARY 2002

We would like to extend to FEBRUARY 2002

Therefore, we would like to have your advise for following.

1. Fee (According to our 10CFR170, Minor amendment fee is \$210-. Is it still same amount?)
2. Do you have any application form for these amendments?
3. Could we make payment same manner as payment for E/L application? (Such as company check or Credit card?)

We attached our E/L and application form.

We would appreciate to have your advice.
