**In the Matter of Carolina Power & Light Company
(Shearon Harris Nuclear Power Plant),
Docket No. 50-400-LA, ASLBP No. 99-762-02-LA**

Dear Chairman Bollwerk and Judges Lam and Murphy:

Enclosed please find Applicant Carolina Power & Light Company's "Summary of Facts, Data, and Arguments on which Applicant Proposes to Rely at the Subpart K Oral Argument Regarding Contention EC-6." This filing is being made pursuant to the Board's Memorandum and Order (Ruling on Late-Filed Environmental Contentions) dated August 7, 2000.

Included with this filing are several Exhibits and Attachments. Applicant's Summary and the Exhibits that are affidavits are being filed electronically. Applicant's Summary and all Exhibits and Attachments are being filed in hard copy form by next day delivery service to those on the Service List. In addition, the Exhibits and Attachments that were not filed electronically because of their size are being sent in electronic form on two compact discs to Mr. Cutchin, Ms. Uttal, and Ms. Curran.

Sincerely,

John H. O'Neill, Jr.
