NRC License No. NPF-43

Subject: Scheduling of Operator Requalification Examinations

Per telephone conversation on November 13, 2000, between Kirk Snyder, General Supervisor, Operations Training, Fermi 2, and Mike Bielby of the NRC, it was agreed that Fermi's License Operator requalification exam dates would be administered between August 21 and September 14, 2001 (necessitated by the Fermi 2 Refuel Outage 08). It was also agreed that Fermi would return to a November/December License Operator examination date in the year 2003.

If you have any questions in this matter please contact Mr. Kirk Snyder, General Supervisor, Operations Training, at (734) 586-4896.

Sincerely,
