Reference: Oregon State University TRIGA Reactor (OSTR)
Docket No. 50-243, License No. R-106

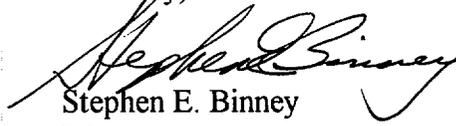

Subject: Notification of Personnel Changes

Gentlemen:

I am providing notification of a change in personnel shown in the organization chart of the OSTR Technical Specifications as required by Technical Specification 6.7.c.3. Effective at the close of business, November 17, 2000, Kathryn M. Brock has replaced David S. Pratt as Senior Health Physicist at the OSU Radiation Center upon Mr. Pratt's resignation from the university staff. Mr. Pratt's last day of work was November 17, 2000, although his resignation is not effective until January 2, 2001. Thus technically Ms. Brock will serve as Acting Senior Health Physicist during the period November 18, 2000 to January 2, 2001; the Acting title will be dropped thereafter.

I declare under penalty of perjury that the foregoing is true and correct.
Executed on November 22, 2000.

Sincerely,

Stephen E. Binney
Director
