Docket No. 50-412

Mr. J. J. Carey, Senior Vice President  
Nuclear Group  
Duquesne Light Company  
Post Office Box 4  
Shippingport, PA 15077

Dear Mr. Carey:

SUBJECT: BEAVER VALLEY UNIT 2 - ADDITIONAL MATERIAL SUBMITTED AFTER ISSUANCE OF AMENDMENT NO. 1 (TAC 65807)

By letter dated September 23, 1987 we issued Amendment No. 1 to the BVPS-2 operating license, thus allowing sale and leaseback transactions by each of the four owners (Duquesne Light Company, Ohio Edison Company, the Cleveland Electric Illuminating Company and Toledo Edison Company).

Subsequent to that, on September 28, 1987, your legal counsel (Shaw, Pittman, Potts and Trowbridge) submitted a letter indicating that there may be changes to the identities of some of the potential investors.

We have reviewed the September 28, 1987 submittal and conclude that since Amendment No. 1 and its accompanying safety evaluation (SE) did not specifically describe the identities of these potential investors, but just referenced your letters in which potential investors were named, there is no need for us to make any changes to the amendment and the SE. The September 28, 1987 letter is hereby incorporated as part of the supporting documents for Amendment No. 1 and the SE.

Sincerely,

/s/

Peter S. Tam, Project Manager

Division of Reactor Projects I/II
