SUBJECT: NINE MILE POINT NUCLEAR STATION, UNIT NO. 2, MAILING LIST

Dear Mr. Goldsmith:

Our licensing assistant, Ms. Sherri Little, periodically reviews the Nine Mile Point, Unit No. 2, mailing list with the objective to help reduce the amount of mail the Federal government has to generate. In a recent review, we found no reason why you should remain on the subject mailing list, and therefore propose to delete your name from it. If you disagree with this proposal, please write a brief note, addressed to Ms. Sherri Little, U.S. Nuclear Regulatory Commission, Mail Stop O-8 C2, Washington, D.C. 20555, indicating your continued desire and associated reasons to remain on the mailing list. Please respond before January 15, 2001. If you wish your name to be taken off the mailing list, you need to take no action.

The Commission has made provisions for licensees and members of the public to obtain publicly available documents, including all those we issue to Nine Mile Point, Unit No. 2. Currently all publicly available documents are available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC Web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

If I can be of further assistance, please do not hesitate to call me at 301-415-1451.

Sincerely,

/RA/
