Below is the result of your feedback form. It was submitted by Robert Revere, JR. (rrevere@aol.com) on Tuesday, October 24, 2000 at 13:09:17

StreetNumber: 1119

StreetName: Holton Lane

City: Takoma Park

State: MD

ZIP: 20912

Country: USA

Comments: To Whom It May Concern:

It appears that this report has been developed in preparation for the Nuclear Regulatory Commission's release of radioactively contaminated soil into the public sphere.

I do not believe that anyone would knowingly, or unknowingly would want to purchase or use products made with such soil. It is not in the public interest to allow the disposal of this radioactive waste. Such waste poses significant hazards to human health and the environment.

Sincerely,

Robert Revere, JR.
