Richard A. Meservé, Ph. D., Chair
U. S. Nuclear Regulatory Commission
Washington, DC 20555

Dear Dr. Meserve:

This letter is to notify you that I have appointed Cecilia Williams, Chief of The New Mexico Environment Department's Community Services Bureau, to serve as New Mexico's liaison to the Nuclear Regulatory Commission. As such, Ms. Williams will provide a communication channel between my office and the NRC on issues related to the regulation of radioactive material. She replaces Mr. James Bearzi.

If you have any questions, please contact Ms. Williams at (505) 476-8531.

Sincerely,

Gary E. Johnson
Governor
