Dear Mr. Anderson:

Thank you for your letter, dated November 22, 2000, inviting me to the reception to be held on the occasion of the Korean Peninsula Energy Development Organization's (KEDO) Nuclear Safety Advisory Group (NSAG) fifth meeting. I recognize the unique opportunity for interacting with officials from the DPRK's nuclear regulatory body. Regrettably, my schedule and other travel commitments prevent me and other NRC staff from accepting your invitation.

I applaud your efforts to bring a regulatory presence to NSAG. I look forward to other occasions to interact.

Best wishes for a successful meeting.

Sincerely,

/RA/
