Dear Sir/Madam:

Pursuant to the provisions of the Freedom of Information Act, as amended, 5 U.S.C. § 552, and related regulations issued by the United States Nuclear Regulatory Commission ("U.S.N.R.C."), 10 C.F.R. Part 9, we hereby request copies of any and all records, documents, permits, licenses and/or information in U.S.N.R.C. files regarding the use, generation, or disposal of any radioactive materials or wastes at the Jessop Steel Company facility in Washington, Pennsylvania. The address of such facility is 500 Green Street, Washington, Pennsylvania 15301 and/or Weirich & Hayes Avenue, Washington, Pennsylvania 15301.

If portions of any requested documents or records are exempt from disclosure under Section 552(b) of the Freedom of Information Act, we request that all non-exempt, reasonably segregable portions of such documents be made available. We are willing, of course, to pay a reasonable charge for copying of any such documents.

We shall appreciate your prompt attention to this request. In this regard, we anticipate a formal response from you within twenty (20) working days pursuant to 5 U.S.C. § 552(a)(6)(A)(i). Please telephone me at (412) 394-2367 if you have any questions regarding this request.
