

December 4, 2000

Mr. Richard Jaworski
Acting Manager - Nuclear Licensing
Fort Calhoun Nuclear Station
Omaha Public Power District
444 South 16th Street Mall
Omaha, Nebraska 68102-2247

Dear Mr. Jaworski:

The Omaha Public Power District (OPPD) requested in your letter to Dr. Eltawila, dated November 20, 2000, our approval to receive the following versions of the RELAP thermal-hydraulic code from Siemens Power Corporation (SPC):

- . RELAP4, Mod 3 (basis for SPC RELAP4 code),
- . RELAP5, Mod 2 (basis for SPC ANF-RELAP code) and
- . RELAP5, Mod 3 (basis for SPC SRELAP code).

An e-mail from Mr. Raklios of SPC, dated November 30, 2000 confirmed their willingness to honor OPPD's request for these code versions.

The USNRC approves the distribution of the above listed versions of the RELAP code by SPC to OPPD subject to the terms of the non-disclosure agreement that both SPC and OPPD have signed. Since this distribution does not involve the NRC, and OPPD is not seeking technical assistance from the NRC, no consideration is required of the distribution fee.

Sincerely,

/RA/ by Ralph O. Meyer for:

John H. Flack, Acting Chief
Safety Margins and Systems Analysis Branch
Division of Systems Analysis and Regulatory Effectiveness
Office of Nuclear Regulatory Research
