Gentlemen:

We have noted a typographical error that was made when Change No. 10 to License No. DPR-26 was issued. Change No. 10 was sent to you with our letter dated May 9, 1975.

Page 6-4 (Table 6.2-1) should specify two (2) licensed operators "at all other times" instead of one(1) (Column 3, Row 2 of Table 6.2-1). A replacement page is provided for page 6-4 as well as page 6-3 which has no corrections but is the back of page 6-4 and therefore must be replaced. Please make this correction in your copies of the Technical Specifications for Indian Point Unit No. 2.

Sincerely,

George Lear, Chief
Operating Reactors Branch #3
Division of Reactor Licensing
