OFFICE OF ENFORCEMENT  
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Individual: Garner W. Reed IA 00-028

Subject: ORDER PROHIBITING INVOLVEMENT IN NRC-LICENSED ACTIVITIES

This is to inform the Commission that an Order Prohibiting Involvement in NRC-licensed Activities will be issued on or about December 5, 2000, to Garner W. Reed for deliberately failing to divulge his complete criminal history (multiple driving under the influence convictions) when applying for unescorted access to the Salem, Point Beach and D.C. Cook Nuclear Power Plants. Additional factors in the decision to prohibit his involvement in licensed activities were his deliberate failure to notify plant officials of other arrests for driving under the influence while employed at Salem and Point Beach and for providing further inaccurate information to the NRC's Office of Investigations regarding previous arrests for theft and marijuana possession.

The Order requires, in part, that Mr. Reed not engage in NRC-licensed activities for a period of one year, and requires that he provide an answer to the Order within 20 days of its date.

It should be noted that the individual has not been specifically informed of the enforcement action. The schedule of issuance and notification is:
