Dear Ms. McKee:

Subject: PECO Energy Company - Peach Bottom Atomic Power Station
Fire Marshall Permits

The recent merger involving PECO Energy and Unicom Corporation has created a new holding company, Exelon Corporation. As part of the corporate restructuring that will take place, all generating assets will be consolidated into a single generating company to be known as Exelon Generation Company, LLC. The target date for completion of restructuring is January 1, 2001.

This letter is being sent to request that the PECO Energy Peach Bottom Atomic Power Station Fire Marshall Permits be transferred to Exelon Generation Company, effective upon transfer of the generation assets to Exelon Generation Company. Copies of the permits are attached.

If you have any questions or require additional information, please contact me at (610)765-5679.

Sincerely,

Dawn L. Fish
Manager, Environmental Affairs
