

December 5, 2000

The Honorable Michael O. Leavitt
Governor of the State of Utah
Office of the Governor
Salt Lake City, UT 84114-0601

SUBJECT: YOUR LETTER DATED NOVEMBER 1, 2000

Dear Governor Leavitt:

I am responding to your November 1, 2000, letter, which was postmarked November 15, 2000, and which I received November 20, 2000, informing us that you have retained the authority of the State Historic Preservation Officer (SHPO) for the proposed Private Fuel Storage, L.L.C. (PFS) project, and that you have appointed Ms. Natalie Gochnour, Utah State Planning Coordinator, to serve as the SHPO contact person on this project.

We appreciate your clarification of the roles of the previously appointed SHPO and the Utah State Planning Coordinator for the proposed PFS project. I understand from your letter that the State of Utah now has two SHPOs: (1) Michael O. Leavitt, Governor of the State of Utah, with respect to the PFS project, and (2) Max J. Evans, the previously appointed Utah SHPO, for all other projects.

The U.S. Nuclear Regulatory Commission staff and the cooperating Federal agencies (the U.S. Department of Interior's Bureau of Land Management and Bureau of Indian Affairs and the Surface Transportation Board) wish to express our gratitude to Mr. Jim Dykmann of the staff of the Utah SHPO, who has served as our contact in the consultation process up until this point. Mr. Dykmann conducted himself in a thoroughly professional manner and was very responsive. We look forward to a similar relationship with Ms. Gochnour for the remainder of this consultation process.

Sincerely,
