I received your voice message and this e-mail, as well. We are planning on the call for Tuesday at 1:00 PM.

Thanks for your help.

Subject: Conference call on NAC-UMS Maine Yankee and NAC-LWT MEU-MTR

Tom:

1) Call arranged for Tuesday, 7/11 at 1:00 pm, for two hours. Call in number is (301) 231-5539, at the prompt enter pass code 4366#.

2) Your April 18 MEU-MTR submittal. Did you send a letter cancelling that review? If so, could you tell me which one (date)? Reason: Eloise wants me to write a letter cancelling that review to close out the TAC, and I need something to base it on. If you haven't closed it officially for us already, I understand from DOE you'll be submitting a new MEU-MTR submittal by end of July. If so, just let me know that you plan to state in that letter that "this supercedes in its entirety the April 18 submittal (since the Bal-Lok is already done).

Tim
