**Subject:** Request for background information on Maine Yankee RAI's

Bill:

Attached is a summary of:

- 1) The 3 main RAI questions from the RAI itself, with the question and technical justification, and an italicized "why appropriate" justification, and
- 2) A summary of the Maine Yankee review timeline, including how the late identification of changes to the scope of this review affected the schedule.

Please inform me of any desired changes.

Tim
