LaSalle County Station, Units 1 and 2  
Facility Operating License Nos. NPF-11 and NPF-18  
NRC Docket Nos. 50-373 and 50-374

Subject: Notification of Proposed Change to ComEd - LaSalle County Station  
NPDES Permit No. IL0048151

Reference: Letter from Rod Krich, (ComEd), to Mr. Steve Nightingale (IEPA  
Division of Water Pollution Control), "Commonwealth Edison Name  
Change," dated October 31, 2000

This report is submitted in accordance with the notification requirements of Technical Specification, Appendix B, Environmental Protection Plan, Section 3.2. Notice is being provided of a proposed change to the Commonwealth Edison (ComEd) Company - LaSalle County Station National Pollutant Discharge Elimination System (NPDES) Permit.

The noted reference requested that the NPDES Permit No. IL0048151 for LaSalle County Station be transferred from ComEd to Exelon Generation Company, LLC (Exelon). This request reflects the anticipated transfer of ComEd nuclear generating assets to Exelon by January 1, 2001.

Should you have any questions concerning this letter, please contact Mr. William Riffer, Regulatory Assurance Manager, at (815) 357-6761, extension 2383.

Respectfully,

  
Charles G. Pardee  
Site Vice President  
LaSalle County Station

Mr. Steve Nightingale  
Manager, Industrial Unit, Permit Section  
Illinois Environmental Protection Agency  
Water Pollution Control, Permit Section #15  
1021 North Grand Avenue East  
P.O. Box 19276  
Springfield, Illinois 62706

Subject: Commonwealth Edison Name Change

Dear Mr. Nightingale:

Commonwealth Edison Company (ComEd) will be transferring the ComEd nuclear generating assets to a new company named Exelon by the end of the year. Therefore, we are requesting that the National Pollutant Discharge Elimination System (NPDES) permits issued to the Commonwealth Edison Company nuclear generating stations be transferred to Exelon Generation Company LLC.

The new mailing address for the Exelon Environmental Department is:

Exelon Generation Company LLC  
Environmental Department  
1411 Opus Place Suite 250  
Downers Grove, IL. 60515-1182.

All station addresses will remain the same. Attached is a list of the ComEd nuclear station locations and respective NPDES permit numbers. It is currently anticipated that the effective date of the asset transfer will be January 1, 2001.

Should you have any questions or require further information, please contact Jim Bolte of my staff at 630/663-5408.

Sincerely,

A handwritten signature in black ink, appearing to read "R. M. Krich". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.

R. M. Krich,  
Director - Licensing
