December 7, 2000

U.S. Nuclear Regulatory Commission
Office of Enforcement
Washington D.C. 20555

Attention: Director of Office of Enforcement
Reference: Violation and Proposed Imposition of Civil Penalty
Exercise of Enforcement Discretion - \$5,500 (NRC
Inspection Report No. 45-25007-01/2000-002)

Gentlemen;

Please be advised that Testing Technologies, Inc. concurs with the findings of the USNRC in the letter dated November 14, 2000, referenced above. Testing Technologies, Inc. will forward a check for the full amount of the imposed penalty on December 8, 2000 to the USNRC, P.O. 954514, St. Louis, MO. 63195-4514.

Should you have any further questions concerning this matter, please contact us at your convenience.

Sincerely;
TESTING TECHNOLOGIES, INC.

Gary Kolbenstetter
Radiation Safety Officer
