SUBJECT: ACCEPTANCE AND ACKNOWLEDGMENT OF RECEIPT OF PROPOSAL TO  
TRANSFER WASTE CONTAINING LESS THAN 0.05 WEIGHT PERCENT SOURCE  
MATERIAL (TAC NO. L31364)

Dear Mr. Knapp:

We have received your proposal to transfer waste containing less than 0.05 weight percent of source material to Waste Control Specialists (WCS) facility in Andrews, Texas. Your proposal has been assigned TAC No. L31364. Please reference this number in any future correspondence associated with this proposal.

We have completed our acceptance review of your proposal and have identified no administrative omissions or deficiencies. The proposal has been accepted for formal review. Please note that the complete technical review may identify omissions in the submittal information or technical issues that require additional information.

Based on our acceptance review and projection of current review schedules, we anticipate completing our review by end of September. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule. I can be reached at (301) 415-6267 or by e-mail at [lcf@nrc.gov](mailto:lcf@nrc.gov).

In addition, a copy of your submittal has been forwarded to the License Fee and Accounts Receivable Branch, Office of the Chief Financial Officer, who will contact you separately for billing, as this review is subject to full cost fee recovery.

Sincerely,
