Dear Mr. Garner:

This will acknowledge receipt of your payment for the \$2,750 civil penalty proposed by the NRC in a letter dated October 4, 2000. While you did not agree that an overexposure occurred, you did not contest the violations and paid the civil penalty. NRC contends that an overexposure did occur, for the reasons set out in our letter dated October 4, 2000. However, the corrective and preventive actions described in your letter appear appropriate and comprehensive.

Sincerely,

/RA/
