Dear Mr. Yarbrough:

I'm writing to thank you for the tremendous support that we received from Ms. Julie Busby of your staff. We recently held a pair of public meetings in your Tattnall Auditorium and Julie went out of her way to help us. She was very organized and had the auditorium arranged as we had asked when we arrived. But she also offered ideas and assistance to ensure our success. For example, she made an audio tape of the meetings to provide a backup to the court reporter. In addition, she made arrangements for the court reporter to get a signal directly from the auditorium sound system. After the meeting, Julie offered to bring a box of documents to a local library that had made a request during the meeting.

These are just some examples of the steps that Julie took to help us. The combination of your excellent facility and Julie's assistance made this a very positive experience for all of us. Julie should be commended for her actions.

Sincerely,

/RA/ Signed by A. Kugler
