Dear Ms. Reed:

We represent Kaiser Aluminum & Chemical Corporation, one of the defendants in the above-captioned lawsuits. I am writing in follow-up to my telephone conversation with you this afternoon, Thursday, December 21, 2000.

Pursuant to the Freedom of Information Act, and in connection with the above referenced litigation, we request AEC/NRC documents generated in connection with the possession and use of nuclear materials and special nuclear materials, *under general license only*, by:

U.S. Steel at its facilities in Homestead, Allegheny County, Pennsylvania, and

The records we request are as follows:

all letters and supporting documents submitted to the AEC/NRC by the above-referenced companies, for permission to take possession of, and use, *under general license*, nuclear materials and/or special nuclear materials; and

all general licenses, including amendments and renewals, issued by the AEC/NRC to any/all licensees, by which licenses, the above-referenced companies were permitted to possess and use nuclear materials, and/or special nuclear materials, at the above-referenced facilities.

Should you need to speak with at any time in connection with this request, please telephone me at 207-772-5808.

Thank you for your assistance in this matter.

Very truly yours,
