Dear Ms. Brodie:

In your November 20, 2000, letter you invited me to be the External Examiner for Ms. Chen (Margie) Qinfang. Margie's thesis title is "Geophysical and Radiometric Investigation of Weathered Igneous Rocks in Hong Kong." I understand that the University of Hong Kong uses the appointment of an External Examiner to assist it in seeking to ensure that the standards of its degree examinations are of the highest international standards. I also understand that the External Examiner's fee is HK\$2000. As an employee of the United States federal government I am unable to accept the compensation. I am honored to be nominated to be an External Examiner and I am happy to accept the appointment of External Examiner for Ms. Chen Qinfang, on the condition that the External Examiner's fee is not provided to me. I will be happy to conduct my review on my own time and *gratis*. If you have any questions, please don't hesitate to contact me at (301) 415-6652, or via internet mail service (bwl@nrc.gov).
